MOOD:  Whew

Justice has been served! (Though the trial will probably go on for weeks, at this rate.) There was evidence, and I gave it. And I wore my Mom Suit, so the jury knew I was slightly more reliable than the Marianas Trench is deep.

Embarrassing realization of the day: Down the Hall stuff? Almost kind of boring now, really. (That's a little wrong.)

I take rest of day, what there is, off. Special Agent V., meet at 'spro place across from gym, I help grocery shop for dinner?

Thank you

You are mighty, and make epic win happen casually.

I will be there at 5:30. Want to climb a little first?

So I was kinda telegraphing, with that meeting location, huh?

Totally. My *brain* liked it. I could tell.

How do you like your endorphins now? Wheee!

I liked the bit where you started laughing hysterically after sending that one blue route and had to be lowered completely to the floor, still laughing too hard to stand up.

Tasha thinks you're funny.

I've worked enough weekends. Yuck. Anything to make it easier. Sometimes I would sneak in my waffle maker and make up some waffles for everyone. Just because you have to be at work doesn't mean you can't be comfortable.

How soon can you be here? I need to know when to send somebody down to escort you through security.

Well, let's see. Based on current laws of physics and the rotational velocity of the Earth. . . .

I'd give myself a 40/60 shot of getting in past security. It would be higher, but I'm out of practice, and my suit is too nice *laughs*

February 2 2008, 17:29:22 UTC COLLAPSE

Coming up to see us, the nice suit is about 50/50. Well, okay, really, the nice suit is convincing for everybody except cvillette and me, and Ometotchtli is on the borderline--if it's not a *conservative* nice suit, they'll buy it down in the lobby that she's expecting you. *g*

We make almost everyone in the building nervous. Except Down the Hall. They used to be the ones who made everyone else in the building nervous, but since we got here, they're off the hook.

Our kitchen smells like OMGchili. T. just got home from Dreaded Office Hours, walked in, and said, "What did I do? What did I ever do in this life that was THAT GOOD?"

Secret Agent Man, who is still wearing his Preposterous Knit Hat in spite of the fact that the kitchen is plenty warm enough for ordinary mortals, beamed and replied, "Pay it forward, man. Pay it forward."

 [cvillette](#)

[February 2 2008, 02:47:58 UTC](#) [COLLAPSE](#)

BTW, I brought the tea eggs.

 [Ometotchtli](#)

[February 2 2008, 05:05:56 UTC](#) [COLLAPSE](#)

They were pretty.

They may still be pretty, but none of us can see them.

But probably they aren't.

Reeeeaally tasty, though. Excellent with cornbread.

 [trollcatz](#)

[February 2 2008, 05:08:56 UTC](#) [COLLAPSE](#)

I would not have thought anything sort of marbled brown and white and shaped like a hard-boiled egg would taste like... candy. Salty tasty candy.

You eat weird things, Platypus.

 [cvillette](#)

[February 2 2008, 05:11:20 UTC](#) [COLLAPSE](#)

You spelled *wonderful* funny.

 [trollcatz](#)

[February 2 2008, 17:48:22 UTC](#) [COLLAPSE](#)

I'm still trying to figure out why, if I don't like anise/licorice, I still like some of the stuff you put anise in.

So, weird. But I would eat another one right now. And also, "weird" has fewer letters.

 [cvillette](#)

[February 2 2008, 17:52:01 UTC](#) [COLLAPSE](#)

Because anise, especially star anise, is one of those flavors that supports and complexifies other flavors.

I mean, if you put in a ton, it just tastes like anise. But a little bit makes other flavors stronger.

Like salt.

 [cvillette](#)

[February 2 2008, 17:27:21 UTC](#) [COLLAPSE](#)

I'm sure he can spot it by the increased weight on my left instep or something.

 [inaurolillium](#)

[February 2 2008, 08:32:21 UTC](#) [COLLAPSE](#)

...do you have a Jayne hat?

 [trollcatz](#)

[February 2 2008, 13:14:05 UTC](#) [COLLAPSE](#)

He won't answer. He's sulking because we mock his emo-boy toque. (Hafs: "For this, I taught you about product?")

No, not a Jayne hat. It's a Fashion Statement.

 [cvillette](#)

[February 2 2008, 13:16:58 UTC](#) [COLLAPSE](#)

It's a beanie hat! Sue me! It keeps my head warm. And it's a conservative black beanie hat, even, it's not like it's purple or something.

(I sort of like "brain cozy.")

 [trollcatz](#)

[February 2 2008, 13:18:30 UTC](#) [COLLAPSE](#)

It says "screamer" around the edge.

Conservative?

 [cvillette](#)

[February 2 2008, 13:19:17 UTC](#) [COLLAPSE](#)

So I give you that one and wear the one that says "Geek," is that what you're suggesting?

 [inaurolillium](#)

[February 2 2008, 22:44:22 UTC](#) [COLLAPSE](#)

Even without the writing, being black does not make it conservative. Haven't you seen the emokids and rivet heads in those?

If I knitted, I would knit you a Jayne hat. Because it would make you look cunning.

 [cvillette](#)

[February 2 2008, 22:47:17 UTC](#) [COLLAPSE](#)

See?

She said I look cunning in hats.

(It's a coyote thing.)

 [txanne](#)

[February 2 2008, 23:19:11 UTC](#) [COLLAPSE](#)

Somehow I don't think Chaz needs a Jayne hat to look cunning. Or sweet.

(Heh. I hate forgetting which account I'm posting from.)

 [cvillette](#)

[February 2 2008, 23:23:40 UTC](#) [COLLAPSE](#)

Aww, I thought I had a secret admirer. (This is me, screwing up while using D.'s laptop. We're even. :-P)

(I do not look sweet!!!!) Rapacious, possibly. Cadaverous, definitely. Pointy? Froglike? Also been suggested.

February 2 2008, 23:29:33 UTC COLLAPSE

Tall'n'skinny with brains? Sweet. Sorry, dude.

I could be an evil cook!

February 2 2008, 23:37:44 UTC COLLAPSE

Then you're leaving out the nasty bits, like salting the beans before they're done, or using peach pits instead of almond flavoring, aren't you? Hmm?

February 3 2008, 00:57:09 UTC COLLAPSE

No, I'm not giving it back until the ice goes back on.

You will limp tomorrow. And you said I'd have to explain it to Dad.

But all right, here's the laptop back. *g*

 [cvillette](#)

[February 3 2008, 01:02:13 UTC](#) [COLLAPSE](#)

...

...Now I'm too self-conscious to post

 [Ometotchtli](#)

[February 3 2008, 01:04:07 UTC](#) [COLLAPSE](#)

How do you manage to look self-conscious and pleased at the same time?

[inaurolillium](#)

[February 2 2008, 23:45:17 UTC](#) [COLLAPSE](#)

Play to your strengths. Sweet is an excellent thing. Let your job and hobbies make you seem dangerous and daring, if you really feel you need an air of danger.

 [cvillette](#)

[February 2 2008, 23:57:12 UTC](#) [COLLAPSE](#)

Haven't had such good luck with the James Bond routine, actually.

[inaurolillium](#)

[February 3 2008, 09:19:50 UTC](#) [COLLAPSE](#)

Dude, if you are attempting a James Bond routine, then UR DOIN IT WRONG. You are not Bond, and you would not want to be, and women would not want you to be (Bond was a sociopath). Because you are not Bond, a Bond routine will not work for you.

 [cvillette](#)

[February 3 2008, 12:45:16 UTC](#) [COLLAPSE](#)

Oh. nevermind. Let's just say, when women find out what I do for a living, most of them tend to head for the hills.

Sometimes they send Christmas cards, though, so I figure it's not my hygiene.

Can we talk about something else now?

 [cvillette](#)

[February 3 2008, 13:15:30 UTC](#) [COLLAPSE](#)

Sorry, I just reread that, and realized without tone of voice in it, it sounds sharper than I intended. You have to picture the plaintive look with the last sentence.

Like that.

Seriously, I think my job makes me seem too dangerous. Also, possibly I do have Odious Personal Habits. (Such as sleeping in my socks.)

 [inaurolillium](#)

You're not SUPPOSED to notice.

 [inaurolillium](#)

[February 2 2008, 23:29:56 UTC](#) [COLLAPSE](#)

Well, I agree with you on the sweet. But I keep picturing Chaz as the type who looks sweet and mostly innocent and non-threatening ... right up until he comes up will something really clever, and amazes everyone.
(Yes, we're talking about you where you can see, Chaz.)

 [cvillette](#)

[February 2 2008, 23:33:01 UTC](#) [COLLAPSE](#)

 [inaurolillium](#)

[February 2 2008, 23:35:53 UTC](#) [COLLAPSE](#)
